2. Introduction

Rajiv Gandhi University is one among the central universities in India. RGU is a premier institution of the state of Arunachal Pradesh located in Northeastern region of the nation. The objective of the University is to "disseminate and advance knowledge by providing instructional and research facilities in such branches of learning which may play a positive role in the socio-economic and cultural development of Arunachal Pradesh". In tune with this objective, the university has a vision to increase the Gross Enrolment Ratio (GER) in higher education as per the national targets of 50 percent and to persistently improve our NAAC and NIRF ranking.

Implementation of Online Application for Examinations System (OAES) for students is one such effort towards achieving the targets set in vision of Rajiv Gandhi University.

3. Scope

The scope of this document is to bring out the process that would be followed by the students to apply for appearing in their semester examinations through Online Application for Examinations Portal (OAEP). Students can download their online generated application form and money receipt against their payment of examinations fees. For students who are eligible for appearing in the examinations, their admit card will be generated online and they would be able to download and print their admit card form anywhere and anytime till the closing of the OAEP.

4. Previous Method

Before the introduction of the OAES for students, students used to apply manually through hard copies of application forms for examinations. They used to pay their examination fees through challan in the bank. These forms were distributed before the semester examinations.

After scrutiny of the applications, admit cards were issued to the students who were found to be eligible for appearing in the examinations.

5. Online Application for Examinations System

In line with the existing mode of submission of applications for examinations by the students, the form filling and submission process is done online. The payment of examination fees is also done through online modes. After acceptance of their examination forms by their concern departments, the students who are eligible for appearing in the examinations can download their admit cards form the OAEP. The existing form has been designed and is provided through the university's web portal rguonline.in.

(Dr. David Pertin)
Joint Registrar (Academic & Conference)

6. Procedure

The lifecycle of the submission of Application Form for Examinations by the students through the Online Application for Examinations System (OAES) is categorized into the following stages.

7. Prerequisites

Before applying for examinations through OAEP, students are expected to be prepared with the following prerequisites.

- A working personal mobile number and email id. All the correspondences will be made to the student through these contact details. OTP and emails will be sent to these contacts only.
- A neat and clean high resolution passport size photograph showing the face of the student clearly.
- A neat and clean scan copy of the student's signature.
- Scanned copy of marks sheet of previous semester examination passed.
- Student should be prepared with payment instruments such as Debit Card/ Credit Cards/ Net Banking/ UPI etc. for transacting through online mode.

8. Step-by-Step Guide

The students who are eligible for appearing in the examinations may apply through the Online Application for Examinations Portal (OAEP).

8.1. Redirection from website to OAEP

Students will have to visit www.rgu.ac.in homepage to get redirected to the online examination fee collection portal 2019-2020. Otherwise students may directly visit <https://rguonline.in/exam-fee/login> to apply.

8.2. Signup and Login

For applying for examinations through OAEP, a student needs to sign up and register in the portal. This is a onetime activity required for creating your account in the portal.

 (Dr. David Pertin)
 Joint Registrar (Academic & Conference)

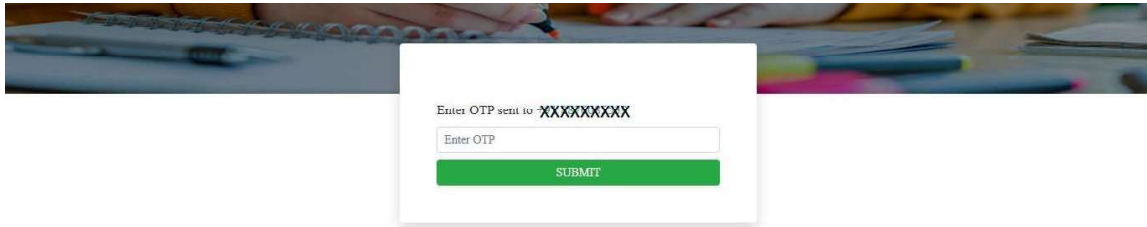

- Once you get redirected to the above page then you may login into the system if you are already registered, however if you are not registered then you can register yourself by clicking the [Register Here](#) button.
- As soon as you click the [Register Here](#) button the following page will be displayed.

NOTE: Students are advised to keep their registered email id and mobile number in hand for login purposes.

 (Dr. David Pertin)
 Joint Registrar (Academic & Conference)

- Enter all the details in the signup screen. Make sure you are entering a valid email id and mobile number. After filling all the details click on the [Register](#) button and you will receive a message in your mobile number containing an OTP. Enter the OTP and click on the [Submit](#) button.

- Once you click on the [Submit](#) button the following message and email will come to you.

(Dr. David Pertin)
Joint Registrar (Academic & Conference)

- Once you successfully register into the portal you will again be redirected to the login screen. Enter your email and password to login into the system.

8.3. Filling up the form

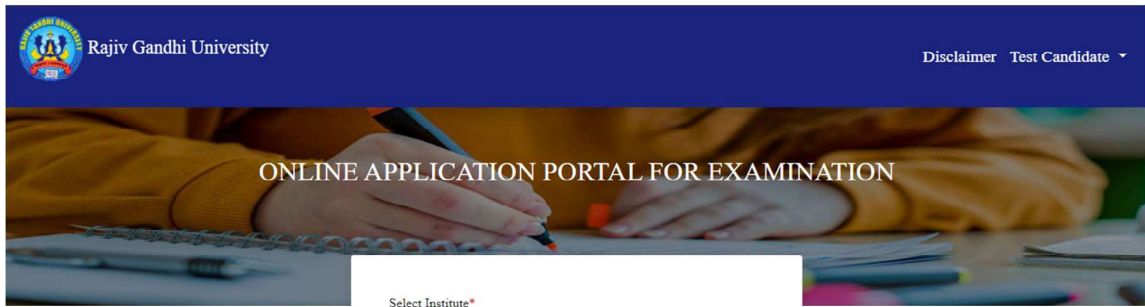

- As as you click the [Submit](#) button, the following page will appear

NO APPLICATIONS

| Sl. No. | Course Name | Semester | Exam Mode | Actions | Status | Reason |
|---------|-------------|----------|-----------|---------|--------|--------|
|---------|-------------|----------|-----------|---------|--------|--------|

- Fill-up the details according to your [Institute](#), [Department](#), [Course Type](#), [Course](#), [Semester](#) and [Exam Mode](#). Refer the below image as an example.
