

NO.

Dated: 12/08/2020

Mentoring is a program designed to support and monitor students on issues pertaining to their attendance, grades, and any other personal issues that call for extra help. Teachers are given a group of students to mentor; this involves meeting with the students, keeping an eye on their progress, following up on routines in extracurricular and co-curricular activities, and generally encouraging them to perform better.

Following are the list of Mento-Mentees:
